

Communion in the Ending Days

A. Holy Communion

1. Creativity

Jesus left His divinity in Heaven. He did not minister as God but as son of man (85 times) and as Son of God (5 times).

He was Son of God for two reasons. His human ancestry traces back to Adam who was a son of God. He was also the Word made flesh by the power of the Holy Spirit.

Therefore, Jesus made the Communion bread into His body and the wine into His blood by the power of Gen 1:26, 1:28.

Only a god can do that; and that is what Ps 82:6 says.

2. Restoration

By His one sacrifice of His body and Blood, he restored mankind back to what God had created them to be. He undid what Adam lost and gave us much more by the Blood Covenant of the New Testament.

B. The Body

1. His Body fulfilled all the OT covenants.

What was the purposes of all those covenants?

Restoration to who and what Adam was.

The last Adam came to undo what satan and Adam had done.

If Adam and his descendants had not sinned, they would have been:

Free of sin, free of all spots, wrinkles and blemishes.

Full of the Glory of God, glowing.

Have been gods over the earth.

2. His Body has restored us to that right of being the Glorious Church:

A church that can sin but chooses not to do so.

A church that can die but is holding fast to their Crown (Rev 3:11).

C. The Blood

1. His Blood initiated a blood Covenant.

We accept that covenant by drinking His Blood and presenting our bodies as living sacrifices.

Obedience is better than sacrifice, so our bodies are not meant to die; they are meant to be obedient. We love Him when we keep His commandments.

We die to self, to sin, to carnality. We lose our lives in Christ Jesus to live for Him so we can find our lives.

2. His Blood made us new creations.

We were crucified with Christ but we live, but not us, Christ lives in us and the life we now live, we live by His faith; the faith of God, which turned bread into His Body and wine into His Blood.
